An Issued permit becomes null and void if the work on the site authorized by the permit does not commence within 180 days of issuance, or if the work is incomplete due to suspension or abandonment 180 days after the work commenced.

I hereby certify that I am the owner of record of the named property, or that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent and I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in this application is issued, I certify that the code official or the code official's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit. No work shall be performed, nor any accepted until a permit has been issued.

A Penalty Fee equal to 2x's the Permit Fee will be assessed if work begins before the issuance of a valid permit.

All irrigation system permits require inspections. The Backflow Report completed by the backflow tester must be turned into this office for each device, email report to communitydevelopment@lindaletx.gov Cc. darceyh@lindaletx.gov or faxed to 903-881-8170.
