All applications must be complete before they will be scheduled for a P&Z or City Council agenda. It is the applicant's responsibility to be familiar with, and to comply with, all City submittal requirements (in the Zoning/Subdivision Ordinances, and any separate submittal policies, requirements and/or checklists that may be obtained from staff). Please contact staff in advance for submittal requirements.

In addition to the official submittal materials that are delivered to City Hall, one copy of all application materials must be simultaneously delivered directly to the

City Planner. Please check with staff and Senior Planner in advance for submittal requirements for each type of development application. The Senior Planner may be contacted at 128 N. Dallas Ave, Wilmer, TX 75172 or 972-441-6373.

Notice of Public Records. The submission of plans/drawings/etc. with the application makes such items public record, and the applicant understands that these items may be viewed by the general public. Unless the applicant expressly states otherwise in writing, submission of the application (with associated plans/drawings/etc.) will be considered consent by the applicant that the general public may view and/or reproduce (i.e. copy) such documents.

I hereby certify that I am the Owner, or the duly authorized agent of the Owner (proof of authorization attached), for the purposes of this application, and that all information submitted herein is complete, true and correct to the best of my knowledge. I understand that submitting this application does not constitute approval, and incomplete applications will result in delays and possible denial.

Letter of Intent

Zoning Exhibit

A fee is required, at time of submittal

Digital presentation materials (i.e., power point) for P&Z and City Council meetings required two weeks prior to the meeting date scheduled (if applicant will be making a presentation).

ZONING APPLICATION

The City is concerned about the time, expense and efforts you and City staff have or will put into your project. The checklists herein are provided to expedite the project review process by providing a clear understanding as to what is expected for acceptance and approval. City staff is bound by City ordinance and State law regarding publishing of notices, mail outs, etc. that will have an affect upon when your project will be heard by the approval body, which can only occur when the Application and plans are complete in all detail as determined by City staff. It has been learned through the years and by many previous cases, that the effectiveness and efficiency of the process most often is determined by the capabilities, quality control, and responsiveness of consultants and their contractors.

Please read each check list carefully. Plans are to be complete in all details for all projects prior to acknowledgement by the City that the respective plan is ready to proceed for approval. Instructions for completion are included with each checklist.

The City has made every effort to evaluate historical plans and approvals to make sure that the checklists addresses all details needed on a Site Plan. Recognizing that no two projects sites are the same, and that consultant's vary in their experience and quality control processes, the City may require that a plan or an element of the plan be redone, or that information not specifically addressed on the checklist be provided for a smoother review and approval experience.

It is recognized that there most often will be changes needed from what was submitted to the City for review. City staff examines each item on the checklist to ensure the item was sufficiently addressed according to City requirements. Where deficiencies are found, the plans will be marked up and returned to the consultant named on the application to be addressed prior to further review or acceptance. Please note the following:

IMPORTANT NOTICE

Due to recent legislation enacted by the 79th Texas legislature in 2005, the City is required to treat any original application, development plan or plat application as a formal permit application if the submittal gives the City fair notice of the proposed project and hence, according to Chapter 245 of the Texas Local Government Code, the City will treat such as a formal permit application as that term is defined under that Chapter. Once a permit application is received, the City will furnish a response to the applicant within 10 business days from the date of submittal to provide comments as to any deficiencies in the submittal. The applicant shall be given 45 days, commencing from the initial date of submittal, to make all corrections as noted, to provide a complete set of plans meeting submission requirements, and to correct any deficiencies. Upon determination by the City Planner, who shall consider the complexity of the project, failure of a resubmittal to meet all requirements in the check list, ordinance and submission requirements upon the expiration of the 45-day period will result in the closure of the file; the case shall become null and void, and the permit shall be deemed to be expired. Any further submittal will be treated as a new case and subject to existing requirements, together with required fees.
