APPLICATION FOR WATER/SEWER SERVICES

AND NOW, this _____ day of _____, 20____ application for water and sewer services is made for the property located at:

Service Address
Lawrenceville Borough, Tioga County, Pennsylvania
This application is made by:

Occupant

Owner of said property (if different than occupant)

The required deposit of \$150.00 must accompany this application.

It is agreed between the person(s) making this application that said application is made subject to the approval of the Lawrenceville Water and Sewer Department, and that the services furnished by the department are made in compliance with the applicable Borough Ordinances and that the person(s) making this application hereby agree(s) to abide by the terms and conditions of the applicable Borough Ordinances.

If a Lessee makes the application, the Lessee shall provide the name and address of the property owner. Tenants will make the required payment for services furnished by the LWSD, and should the tenant fail to do so, the LWSD shall look to the property owner(s) for payment of total outstanding balance.

A late fee of 10% for any outstanding balance will be added after the due date. It is also understood by the lessee/property owner(s), that any balance that is outstanding at the end of a 30-day period will constitute a default and services shall be disconnected according to applicable Borough Ordinances.

Restoration of services can be made with payment in full of the delinquent amount and applicable fees including an additional \$100.00 fee for service restoration.

If payment of a delinquent account is not made within 45-days, the LWSD shall turn the account over to our Solicitor for collection. A collection fee plus legal fees will be added to the balance to cover the cost of recovery.
