Notice

This permit becomes null and void if work or construction authorized is not commenced within sixty (60) days, or if construction or work is suspended or abandoned for a period of 120 days at any time after work is commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not: the granting of a permit does not presume to give authority to violate or cancel provisions of any other state or local law regulating construction or the performance of construction. Section 23A of the State Construction Code Act of 1972 (Act 230 of the Public Acts of 1972) prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or structure. Violators of said section are subject to civil fines.
