STRUCTURE(S) TO BE DEMOLISHED

NOTE: I have been informed that it is in my best interest as well as others that I have an asbestos survey conducted on the structure that is to be demolished. An asbestos survey is a State requirement through the NYS Department of Labor but is not required to receive a demolition permit from the Code Enforcement Officer.

The below-signed applicant has read the instructions and notes for application for the demolition permit and the instructions contained therein, and to the best of his/her knowledge, the information given and accompanying this application for a permit is accurate and true. The applicant agrees to comply with all applicable laws, ordinances, and regulations, that all statements contained in this application are true to the best of his/her knowledge and belief, and that the work will be performed in the manner outlined in the application and plans and specification filed therewith.
