APPLICANT AFFIDAVIT & AGREEMENT	
I, the undersigned parent/guardian, understand and agree with the following: Proof of Residency: I have attached a copy of my driver's license, utility bill, or property tax notice as proof of residency. Notification of Change: I will immediately notify the Engineering office if the family moves, the child no longer lives at this address, or the condition changes. Removal Policy: I understand the sign will be removed by the City upon the child reaching the age of 18. Placement: Signs will be installed only in the City Right-of-Way on City-owned roads. The City will not be responsible for signs on private, county, or state roads. The final decision on the sign's placement and necessity rests solely with the Engineering office at the discretion of the City Engineer.	
Signature of Parent/Guardian: _____ Date: _____	
NOTE: The USDOT, FHWA, and ITE discourage "Children at Play" or "Special Needs" signs because studies show they do not improve driver behavior or child safety. Their overuse can lead to reduced compliance with all traffic signage. Furthermore, these signs are not legally enforceable, and the City of Vineland Engineering Division cannot guarantee safety improvements from their installation. Pedestrians should always exercise caution around vehicle traffic.
