Project permit applications shall be appealable as provided in the framework in DMC 14.08.060.C. A. <u>Justification</u> 1. SEPA appeals associated with a Type I or Type II project permit applications can be on procedural or substantive grounds and are administered as follows: a. SEPA appeals shall be heard by the hearings examiner in consolidation with any appeal of the underlying project permit application. b. Such appeal shall only be of the Determination of Nonsignificance or Mitigated Determination of Nonsignificance, or Final Determination if issued. c. Appeal of a SEPA determination shall be made by filing an appeal form containing all of the information listed in DMC 14.08.060.D and other information as determined to be necessary by the Director and paying the applicable fee set out by resolution. d. Such appeals shall be filed within 21 days of the issuance of a Determination of Nonsignificance where public comment is required. e. Such appeals shall be filed within 14 days after the issuance of a Determination of Significance with no comment period. f. Such appeals shall be filed within 14 days after a Determination of Nonsignificance is issued if such Determination is issued at the same time a decision on a project permit is filed. g. Such appeals shall be consistent with the provisions of RCW 43.21C and WAC 197-11-680. 2. SEPA appeals associated with Type III, Type IV, Type V, or Type VI permits shall be to King County Superior Court and be consistent with the provisions of 43.21C RCW, 36.70C RCW, and WAC 197-11-680.
