

Order your Personalized Paving Brick Today!

The Village of Berkeley is coordinating the sale of engraved brick pavers to be installed in the Village Plaza. This is a great opportunity for individuals, families, and businesses to leave a permanent mark in Berkeley.

A 4x8 inch sized brick paver is available for purchase for \$50 each. Each brick can have an inscription of up to 3 lines (14 characters, per line). Engraved bricks will be randomly placed in the Plaza. Unfortunately, purchasers will not be able to select a specific location for their bricks.

All funds collected for this program will be used for the purchase and installation of personalized brick pavers donated to the Village's beautification efforts.

Please return this completed form and payment to the Village of Berkeley, Brick Paver Program, 5819 Electric Avenue, Berkeley, IL 60163. You can also drop it off to Village Hall or place the form, along with your payment, in the dropbox located in the parking lot.
