

**APPLICATION FOR WITHHOLDING TAX ACCOUNT
VILLAGE OF ANNA**

Withholding for City of Residence: In Ohio, city tax withholding is mandatory for the city of employment. You may voluntarily withhold tax for the city of residence if the employee works in an area where there is no tax or if the employee works in an area where the tax is lower than the employee's city of residence and you pay the difference in the rates to the city of residence in addition to the city of employment.

Information regarding the employee is required for all accounts being established to withhold the tax for the city of residence, including the employee's street address. We will inform you if the employee's address is located outside city limits.

The current rate of city withholding for the Village of Anna is 1.75%
