Applicant Notice / Work Requirements

Permit display: Permit must be issued before the dumpster or POD is placed and must be displayed in a visible location for inspection.

Location and safety: Container may not extend into a travel lane, must be at least twenty (20) feet from a crosswalk or intersection, at least fifteen (15) feet from a fire hydrant, and must not create a safety hazard.

Protective measures: Reflective markings are required for nighttime visibility, and rollers or wheels must rest on wood pads at least 3/4 inch thick to protect Borough road surfaces.

Use and maintenance: Only one container may be placed on a highway or sidewalk per property. The area around the container must be kept free of debris and litter. A partially full dumpster must be tarped when not in use, and a full dumpster must be tarped and removed within 48 hours.

Damage and cleanup: Permittee is responsible for cleanup, restoration, and any damage to a cartway, curb, sidewalk, or other Borough property caused by placement, use, or removal of the container.

Duration and renewals: Permits are generally issued for fourteen (14) days and may be renewed for additional fourteen (14) day periods upon payment of the applicable renewal fee, unless fees are waived by Borough action.

Applicant Certification / Agreement

By signing below, the applicant certifies that the information in this application is true and complete and agrees to comply with Chapter 204, all permit conditions, and all Borough requirements governing the placement and use of a dumpster or POD. The applicant further understands that violations may result in revocation, fines, removal costs, and liability for property damage.
