Portable Spa Barrier Compliance

I hereby acknowledge that I will maintain the portable above ground spa equipped with an approved locking safety cover meeting ASTM Standard F-13461 or maintain the enclosure and one other safety measure as required in Building Code Section 3109. The spa water shall be maintained in a clear condition that is free of algae, insects, debris, and in a sanitary conditions.

I further acknowledge and understand that as soon as my spa is filled with water and after final inspection, I am responsible to maintain the required pool safety measures at all times.
