Subject: Variance Request -27 Cottage Way 4/28/2026 - Letter of Denial 4/28/2026

Subject: 27 Cottage Way- Letter of Denial 4/28/2026 / Hoque Residence

Good Afternoon Hoque Family,

In response to your inquiry the Zoning Department has completed the review of the progress plans which were presented to Zoning on Tuesday April 28, 2026.

Attached for your convenience is a copy of the Zoning Letter of Denial.

Pat Hoynes is the Planning Board secretary. Pat is available to discuss the application fees and provide you with a copy of the Board application. (Application Attached)

Zoning has identified the relief you will need for the proposed improvement.

Proposed single family residence, located on a corner lot fronting Cottage Way and Terrill Road is seeking an opportunity to improve the recreational areas and provide a privacy buffer.

The privacy fence planned considers 147 linear feet 6' height solid pvc fence, to include a 24 inch retaining wall

97 linear feet is 6' height fence proposed and fronting Terrill Road encroaches upon the front yard setback whereas the maximum height permitted is 4 feet plus a vegetative buffer.

There are pre-existing non-conforming conditions about the principal dwelling to be defined within the letter of denial.

The project offers a net 00 sqft additional impervious surface coverage.

The project proposal must respect the line of site triangle.

Request for Relief:

Article 184 -108 C – Fences and above ground walls Requirement – Maximum – the maximum height of a fence fronting a street/right of way is 4 feet maximum height. – Proposed 6 feet height plus the vegetative buffer requirement

Here are some numbers that will assist you in the application process.
Pat and I are also available to help fill in any of the blanks.

Area: 3,841 sqft

Principal Coverage Existing 25.10%	Proposed Principal Coverage
25.10%	(Maximum 38%)

Total Improvement Coverage 36.26%	Proposed Improvement

Block: 26.01 Lot: 14.02
Zone: TAH

Zoning Notes:

- Kindly provide 4 copies of the architectural renderings (sample pave brochure page/ fence details) along with your application. (11*17 is acceptable for Planning Board Application)
- Please provide 4 full size copy of your parcel survey and clearly include the limits of the proposed improvement to scale on the survey copy.
- A Storm Water Management system is required for all improvements in excess of 200 sqft. Storm water management plans are subject to the approval of the Borough Engineer. Net increase 00 sqft.
(N/A)
- A Developers Agreement is not required prior to construction Administration/ Tax Assessment (N/A)
- A Zoning Application and \$50.00 Zoning Review fee is required (TASK COMPLETED))
- Grounds must remain complaint in respect to Construction, Engineering, and Zoning. The site shall remain free from blight.

In the event that our office may be of further assistance, please do not hesitate to contact me.
