CULVERT PERMIT

P.O. BOX 159 SEADRIFT, TX 77983 TEL: 361-785-2251

A. Permit Requirement All culverts installed within the City of Seadrift require a culvert permit prior to installation.

B. Drainage Control the City of Seadrift regulates drainage by controlling the installation of culverts in drainage areas and ditches, whether located on public or private property.

C. Installation in Public Rights-of-Way Unless otherwise authorized by the City, all culverts located within public rights-of-way shall be installed by the City of Seadrift.

D. Installation on Private Property For culverts installed on private property, once authorization and a permit are granted, the property owner may either contract for installation or install the culvert themselves. All privately installed culverts are subject to inspection and approval by the City of Seadrift Public Works Department.

E. Liability and Hold Harmless When a culvert is installed by a private property owner or their contractor, the City of Seadrift shall not be held liable for any damages, failures, drainage issues, maintenance issues, or injuries arising from or related to the installation, condition, or use of the culvert. The property owner assumes full responsibility for the proper installation, maintenance, and repair of any privately installed culvert and agrees to hold harmless and indemnify the City of Seadrift from any claims, losses, or damage resulting from such installation.
