Property Address:	Application #: YL-00
Property Owner's Name:	
Design Professional Name:	
Design Professionals License Type & Number:	
Pre-Approved Design Professionals Number:	

A signed copy of this form shall be imprinted on the 1st page of the approved plans

As the property owner of the above referenced project, I understand and agree to have the work permitted through the Building Division's Pre-Approved Design Professionals (PADP) Program. I understand that by participating in this program, the construction documents will not be reviewed by Building Division staff for compliance with the Yorba Linda Municipal Code, and design requirements prior to permit issuance. I am voluntarily foregoing a level of staff review that could identify potential deficiencies in the design of my project and acknowledge the potential ramifications if this action.
