Applicant Address:		Home Phone:
Applicant Email:		Cell Phone:
Applicant to Check Box for Declaration: ☐ I DECLARE THAT I AM A RESIDENT OF THE ADDRESS AS ENTERED ON THIS FORM, THAT THIS PROPERTY IS A SINGLE FAMILY RESIDENCE, AND THAT I WILL ABIDE BY THE CONDITIONS OF THIS PERMIT AS SET FORTH		
RESTRICTIVE CONDITIONS		
- When the State of New York Department of Environmental Conservation has imposed a No Burn Order from March 16th through May 14th of each year (this burn ban could be extended by the DEC). - When the permit holder (property owner) has violated the conditions of the Recreational Burning Ordinance, Section 101-4 of the Code of the Village of Canastota.		
General Conditions: Applicable to All Permits	- Recreational open burning is limited to the burning of seasoned wood, brush and tree limbs only. - No burning of unseasoned wood or woody material, garbage (including human or animal waste), leaves, paper or other recyclable material or construction debris. - Occupants of single family residences shall be permitted to ignite and maintain small outdoor open "recreational fires" which are not more than three (3) feet wide nor more than three (3) feet high, and are located twenty-five (25) feet from any structure and two (2) feet from any property line. Approved containers ("chimineas") shall be at least fifteen feet (15) from any structure as indicated of the attached drawing. - For purposes of this section, the term "residential structure" shall include any residence and any residential accessory structure, including not limited to, garages, storage sheds, playhouses, gazebos and fences. - The following outdoor fire and activities may be conducted within the Village without the issuance of a permit: Outdoor cooking facilities used by permitted food service establishments and charitable and benevolent organization conducting fundraising activities such as chicken barbeques. - Burning must cease if so directed by any member of the Canastota Police Department, Fire Department, Code Enforcement Officer and Fire Marshall's Office if a violation is found to exist. - During the burn, all reasonable measures to assure complete combustion and reduce excessive smoke are to be taken. - At no time during the burn should the fire be left unattended. - At the completion of the burn period, all embers and coals must be extinguished and wetted, so as to prevent smoldering and fugitive ash emissions. - All reasonable safety precautions are to be taken, for example the clearing of grass and trees in the burn area, wetting down of the surrounding area, and the placement of fire extinguishers and hose lines. - This permit must be immediately available on site during the burn. - Burning may not create a nuisance to nearby properties.
