Paperless Billing Authorization:

Customer Name

Email Address

Phone Number

Utility Account Number

Service Address

I authorize the Village of Lagrange Water Department to email my monthly utility bill. I acknowledge that it is my responsibility to review the monthly bill. I further agree to notify the Village of any changes to my mailing address, email address, or contact information. Failure to notify the Village of any changes or failure to receive the emailed bill does not grant a waiver of penalties or fees and the account will still be subject to disconnection due to non-payment. The Village cannot ensure electronic delivery of your utility bill. Please note that the email billing may have a different format than the utility billing postcards.
