

Town of Concrete

Public Works Department, P.O. Box 39, Concrete, WA 98237

RIGHT OF WAY PERMIT APPLICATION

A right of way permit is required for any construction and/or maintenance activities proposed within the public rights of way of the Town.

Date of application: _____ Name of applicant: _____

Address: _____

Phone: _____ Fax: _____ E-mail _____

Project location/address: _____

Relationship of applicant to property: ___ Owner ___ Developer ___ Other: Explain _____

Existing use within right of way:

Proposed use/activity within right of way:

Attach:

1. A description and map of project location, to include property boundaries, rights of ways, existing and proposed structures if applicable, and location of effected resources (such as streams, wetlands, floodplain, wildlife areas, etc.).

2. Application fee of \$125.00.

By submitting and signing this application, you are stating and promising that payment will be at the time of application or as soon as possible thereafter upon receiving an invoice. If payment is not made within a timely manner, future permits may be denied until payment is received.

Note: If the construction or maintenance is in an area where future construction will occur, compaction tests of the fill will be required at the time of construction. It is recommended that such compaction tests be performed during the placement of the fill to eliminate future complications.

By signing below, you are stating you are an authorized signer for the above mentioned project/applicant and are affirming to the requirements of the permit application.

Signature of applicant: _____ Printed Name and Title of Signer: _____
