This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If a transcript of any proceeding is made, the applicant shall provide a copy of same to the Township free of charge.

D. Procedural Requirements.

- (1) An application to the Site Plan Review Subcommittee or other review committee shall deposit all escrow account deposits called for in the within section before the applicant's appearance before that committee. An applicant appearing initially before the Planning Board or the Zoning Board of Adjustment shall deposit all escrow account deposits called for in the within section before said appearance. No meeting or hearing with the applicant shall be held by said boards or committees until all escrow account deposits and required fees have been deposited in accordance with this section. The escrow sums must be in the form of cash, certified check or money order made payable to THE TOWNSHIP OF BARNEGAT. All escrow account deposits shall be given to the Administrative Officer of the Township.
- (2) The Chief Financial Officer of the Township shall make all of the payments to professionals for services rendered to the Township for review of applications for development, review and preparation of documents, inspection of improvements or other purposes under the provisions of the Municipal Land Use Law, N.J.S.A. 40:55D-1 et seq. Such fees or charges shall be based upon a schedule established by a resolution adopted by the Township Committee.
- (3) Escrow account deposits shall be placed in an interest bearing account and the same shall be administered in accordance with the requirements of N.J.S.A. 40:55D-53.1.
- (4) All disbursements to consulting professionals, Township consulting professionals and Township employed professionals for services involved in processing an application which requires escrow account deposits shall be charged against the escrow account.
- (5) The Chief Financial Officer shall prepare and send to the applicant a statement which shall include an accounting of funds listing all deposits, interest earnings, disbursements, and the cumulative balance of the escrow account. This information shall be provided on a quarterly basis, if monthly charges are one thousand (\$1,000.00) dollars or less, or on a monthly basis, if monthly charges exceed one thousand (\$1,000.00) dollars.
- (6) Each payment charged to the deposit for review of the application, review and preparation of documents and inspection of improvements shall be pursuant to a voucher from the professional. Said voucher shall identify the personnel performing the service, the date, the services performed, the hours spent to one-quarter hour increments, the hourly rate and the expenses incurred. All professionals shall submit vouchers to the Chief Financial Officer of the Township on a monthly basis in accordance with schedules and procedure established by the Chief Financial Officer of the Township.
- (7) If the services are provided by a Township employee, the employee shall prepare and submit to the Chief Financial Officer a statement containing the same information as required on the voucher, on a monthly basis. The professional shall send an informational copy of all vouchers or statements submitted to the Chief Financial Officer of the Township simultaneously to the applicant.
- (8) No resolution approving any development application which is subject hereto shall be passed by either the Planning Board or Zoning Board of Adjustment until all fees and escrow sums required herein have been paid in full.

the scope of the expertise of the professionals normally utilized by the Township.

§ 55-80.1

- (10) The only costs that shall be added to any such charges shall be actual out-of-pocket expenses of any such professional or consultants including normal and typical expenses incurred in processing applications and inspecting improvements. The Township shall not bill the applicant, or charge an escrow account or deposit, for any Township clerical or administrative functions, overhead expenses, meeting room charges, or any other costs and expenses except as provided for in this section, nor shall a Township professional add any such charges to his bill.
 - (11) A professional shall not review items which are subject to approval by any State agency and not under municipal jurisdiction except to the extent that consultation with a State agency is necessary due to the effect of State approval on the subdivision or site plan.
 - (12) Inspection fees shall be charged only for actual work shown on a subdivision or site plan required by the Township. Professionals inspecting improvements under construction shall charge only for inspections that are reasonably necessary to check the progress and quality of the work and such inspections shall be reasonably based on the approved development plans and documents.
 - (13) If the Township retains a different professional or consultant in the place of the professional originally responsible for development application review or inspection of improvements, the Township shall be responsible for all time and expenses of the new professional to become familiar with the application or project and shall not bill the applicant or charge the deposit or the escrow account for any such services.
 - (14) If the salary, staff support and overhead for the Township professional are provided by the municipality, the charge shall not exceed two hundred percent (200%) of the sum of the product resulting from multiplying (1) the hourly base salary of the professional by (2) the number of hours spent by the respective professional upon review of the application for development or inspection of the developer's improvements, as the case may be. For other professionals, the charge shall be at the same rate as all other work of the same nature by the professional for the municipality when fees are not reimbursed or otherwise imposed on applicants or developers.
 - (15) For those developments for which the reasonably anticipated fees are ten thousand (\$10,000.00) dollars or greater, fees may, at the option of the developer, be paid in four (4) installments. The initial amount deposited by a developer shall be twenty-five percent (25%) of the reasonably anticipated fees. When the balance drops to ten percent (10%) of the reasonably anticipated fees because the amount deposited by the developer has been reduced by the amount paid to the Municipal Engineer for inspection, the developer shall make additional deposits of twenty-five percent (25%) of the reasonably anticipated fees. The Municipal Engineer shall not perform any inspection if sufficient funds to pay for those inspections are not on deposit.
- E. Refund of Moneys in Escrow Account. When the Planning and Zoning Office determines that there is no longer any need to retain an escrow account in which to maintain funds pursuant to §§ 55-80.3 and 55-80.4, the applicant shall be entitled to the return of any moneys which remain in that account. The following close out and refund procedure shall apply to all deposits and escrow accounts established under the provisions of the Municipal Land Use Law, N.J.S.A. 40:55D-1 et seq., and shall commence after the Township has granted final approval and signed the subdivision plat or site plan, in the case of application review escrows and deposits, or after the improvements have been approved, in the case of improvement inspection escrows and deposits:
