Road: Asphalt surface	11-150 SF	\$4,000.00	☐	
Road: Asphalt surface	151+ SF	\$6,000.00	☐	
<u>BOND FEE TOTAL</u>				

Bond Policy

Effective July 1, 2025

The City of Plymouth requires a performance bond in order to protect the public and public property. This bond is held in reserve until the project is completed to ensure that property is restored to its original condition. Fees shall be paid with a certified check, money order, cash, or surety bond. The fees are accumulating. Each location that is affected requires the corresponding bond fee.

If the property is not restored to the original condition within six (6) months from the last date of inspection, then the Community Development Department shall contact the bondholder in writing outlining the outstanding work and request completion. If the bondholder does not respond and/or complete the work within 30 days of the written notification, the Community Development Department shall consider the work abandoned and bond monies will be forfeited.

Fees depend upon the location of the work and the size of the area as outlined above.
