Permit Address: _____

Waste Management Requirements **Acknowledgement Form**

I understand that the City of Banning requires compliance with its Construction and Demolition (C&D) Waste Management Requirements before the project can receive final sign-off from the Building Inspector.

After completing this form, I understand that I must contact the City of Banning Refuse Division to obtain the required information and the Construction and Demolition Waste Diversion Reporting Form.

Contact: Alexa Esparza, Environmental Program Coordinator (Public Works)

Phone: 951-922-3193

Email: refuse@banningca.gov

I understand that the next inspection will not be completed until I have contacted the Refuse Division and received the required information.

Please email refuse@banningca.gov after completing this form. Proper documentation and disposal of construction waste is required before final project sign-off.

I hereby acknowledge that, by signing below, I have read and understand the City of Banning's Construction and Demolition Waste Management Requirements and agree to comply with all applicable requirements.
