Ordinance No. 2018-11-12

The person signing the water service application form is the person responsible for paying all fees and charges related to water, sewer, and trash collection service provided to the location designated on the applications form. The fees will be determined by the Mayor subject to review with the City Council and such fees may change without notice.
If the person responsible fails to pay the final bill for fees or charges related to water, sewer, and trash collection service provided to the designated location within thirty (90) days of the date of the final bill, their account will be turned over to collections.

- Payments to the City of Valley Mills for all previous service addresses must be paid in full before service can begin at your new service address.
- A minimum deposit of \$150 is due before service can begin at your new service address.
- A \$50 non-refundable service fee will be due at time of deposit.
- Meters will be read on or about the 26th of each month.
- Bills will be mailed out on or about the 1st of each month.
- Bills will be due upon receipt and not later than 15th of each month.
- A \$25 late fee will be added to any unpaid balances after the 15th of each month.
- Accounts unpaid after or about the 26th of the month will be subject to termination of service.
- Accounts unpaid after 90 days will be sent to collections.
- Return check fee is \$25 and possible termination of services.
- City employees have the right to inspect any utility line located on your property for cross connection and repairs.
- A \$150 re-connect fee will be required before water will be turned back on.

I hereby declare and affirm that to the best of my knowledge and belief, that all statements and answers written on this page are full, complete, and true. I understand that by giving any false information on this form, service may be terminated.
