

New Utilities / Meter Installation Request Order

Applicant/Business Name: _____
 Service Address: _____
 Mailing Address: _____
 Contact Phone Number: _____

The Public Works Department installs meters as soon as available upon receipt of the work order.

Water Service – Please select the requested meter size:

The customer is responsible for yard line installation from the meter to the home/building. Call the Building Department for permits and inspection (520-586-2245, Ext. 4) and the Finance Department (520-720-6310) for activation.

Work Order #: _____

Price / Size:	3/4" = \$561.48	1" = \$710.60	2" = \$1415.56	3" = \$2175.88	4" = 3067.53
Tax:	\$34.32	\$47.14	\$107.11	\$179.17	\$279.93
Total:	\$595.80	\$757.74	\$1523.33	\$2355.05	\$3347.46

Gas Service – Please select the requested meter size:

The customer is responsible for yard line installation from meter to home/building. Call the Building Department for permits and inspections (520-586-2245, Ext 4) and the Finance Department (520-720-6310) for activation. Meters 750,000 BTUs or larger include additional time and material charges. Service may have an excess flow valve installed per CFR 49.192.383.

Work Order #: _____

Price / Size:	3/4" = \$1,052.03	1" = \$1,029.18	1 1/4" = \$1,376.47	1 1/2" = \$2,519.69	2" = \$2,613.44
Tax:	\$66.65	\$64.46	\$97.80	\$207.55	\$216.55
