A permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or a period of 180 days at any time after work is commenced. Separate permits may be required for electrical, plumbing, and heating/air condition ALL PERMITS REQUIRE FINAL INSPECTION

We will need the following before issuing a permit.

1. All contractors must be listed and registered with the City of La Marque, Texas
2. An Asbestos survey has been conducted in accordance with the Texas Asbestos Health Production Rules (TAHPR) and the National Emissions standards for Hazardous Air Pollutants (NESHAP) for the areas being demolished
YES NO*
- If the answer is No, then as the owner/operator of the renovation/demolition site, I understand that it is my responsibility to have this asbestos survey conducted in accordance with Texas Asbestos Health Protection Rules (TAHPR) and the National Emission Standards for Hazardous Air Pollutants (NESHAP) prior to a renovation/demolition permit being issued by the City of La Marque.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local regulating law regulating construction or the performance of construction.
