NOTE: This form should be completed by a professional surveyor and returned to the local floodplain administrator. It can be used by the property owner to certify that the completed construction meets the flood elevation standards of the community. For communities participating in the Federal Insurance Administration's Community Rating System, the NFIP "ELEVATION CERTIFICATE" (O.M.B. No. 3067-0077) must be used to record as-built lowest floor elevation data.
