Deposit Agreement
Renter/Property Owner

The Town of Robbinsville requires all renters/property owners to pay a deposit fee of $150.00 before they are provided with water and/or sewer services.

Please circle which applies: **Renter** **Property Owner**

Renters:

Once the renter moves from the premises or no longer rents the premises and the account at that premises in the renter's name is closed out; the deposit will first be applied to any outstanding balance and the remainder of the deposit refunded to the renter within six weeks of the final bill. Any refund of the deposit that may be due the renter may be applied to a new location if the renter moves but a transfer fee will still be charged.

Property Owners:

If the account is paid by due date for a period of one year, the deposit will be refunded to the property owner within six weeks of the bill issued one calendar year following connection. If the account is not kept in good standing for the first year, the deposit will continue to be held by the Town until it is paid by due date for one consecutive year.

I have read and understand the agreement listed above.
