**SUPPORTING STATEMENT –
REQUESTED FINDINGS**

**FORM 2C
SPECIAL PERMIT A1**

Applicant Kevin Gill Jr. & Heather Gill seeks
a Special Permit A1 under Section(s) III-I.1.c
of the Zoning By-Law for property located at 39 Middle St
and asks the Board of Appeals to make the following findings of fact in accordance with the
provisions of the law:

1. The proposed use will be in harmony with the general purpose and intent of the Zoning By-Law, for the following reasons:

Re-establish a previously removed (conforming) garage connector between main house and pre-existing non-conforming garage. Both structures pre-date the zoning ordinance and all new additions and proposed work conform with current zoning, Hingham By Laws (Section III 1.2) and lot requirements.

2. The proposed use complies with the purposes and standards of the relevant specific sections of the Zoning By-Law, for the following reasons:

All proposed additions will be in compliance with zoning by-law and will not be extending a non conforming condition.

TOWN OF HINGHAM
Board of Appeals

7. The proposal meets accepted design standards and criteria for the functional design of facilities, structures, stormwater management, and site construction, for the following reasons:

The proposed work does not increase bedroom count and falls under the threshold for disruption and storm water management. The design greatly increases the functionality of the home for a large family.

The rights authorized by a Special Permit expire three years from the date the decision is filed with the Town Clerk, unless exercised or extended in accordance with the terms of M.G.L. 40A, § 9.

Signed as a statement of fact under the pains and penalties of perjury,
this 3 day of August , in the year 2026 .
