I am the owner, the owner's agent, and/or current business tenant of the following property:

Street address & name of any business open to public at this address

I have the authority to prohibit entry and exclude unauthorized persons from the above property. I do not authorize any person(s) to use the entry alcoves or other covered areas generally open to the public for any purpose that is not directly related to a business during its hours of operation. When the business(es) are closed I do not authorize anyone to use the open areas for any purpose.
