Applicant Acknowledgment

By signing this application, I understand and agree to the following:

- **Utility Disconnections** – Prior to beginning demolition, I will contact the City of Mascoutah to have the water service shut off and the electric service disconnected. I understand that all other utility providers (natural gas, telephone, cable, etc.) must also be contacted, as applicable.
- **JULIE Notification** – I will contact **JULIE (811)** before any excavation or demolition activities begin.
- **Sewer Service** – I understand it is my responsibility to properly cap the sanitary sewer service and schedule an inspection with the City's Water/Sewer Department prior to backfilling.
- **Debris Removal** – All demolition debris, foundations (unless otherwise approved by the City), and other materials shall be removed from the property and disposed of in accordance with all applicable regulations.
- **Site Restoration** – Following demolition, the site shall be graded to eliminate hazards, prevent ponding, and maintain proper drainage. The property shall be left in a clean, safe, and maintained condition.
- **Public Safety** – I am responsible for maintaining a safe work site, including providing appropriate barricades, fencing, traffic control, and dust control measures, as necessary.
- **Final Inspection** – No deposit will be refunded until the City has completed a final inspection and determined that all demolition and site restoration requirements have been satisfactorily completed.
