Roughly how many loads: _____

This Agreement is entered into between _____ (“Owner/Applicant”) and the Town of Seneca, located at 3675 Flint Road, Stanley, New York 14561.

By signing below, the Owner/Applicant grants permission to the Town of Seneca to deposit fill material on the property identified by the Owner/Applicant at a location mutually agreed upon by both parties. No fees, conditions, or additional obligations shall be imposed by either party in connection with this arrangement.

Both parties agree to hold the other harmless from any claims, damages, or liabilities arising from or related to the agreed-upon dumping site or the placement of fill material.

This Agreement shall remain in effect until December 31 of the calendar year in which it is executed. A new agreement must be submitted annually for any continued receipt of fill material.

The Town of Seneca shall not be responsible for moving, grading, spreading, or leveling any fill material after delivery. The Owner/Applicant acknowledges and agrees that they are solely responsible for any finishing, grading, or site work required once the material has been deposited on the property.

Completed applications may be: Hand delivered to the Town Hall during normal business hours; Mailed to the Town Hall; or Emailed to: highway@townofsenecany.gov or townclerk@townofsenecany.gov
