

**CITY OF NORTH RICHLAND HILLS, TEXAS
EASEMENT ENCROACHMENT FORM**

I, _____ am the current owner and responsible party for the property located at _____, also described as _____ Addition, Block _____, Lot _____. I am hereby requesting the right to construct permanent improvements (on the aforementioned lot within a previously dedicated easement within the right-of-way immediately adjacent to the aforementioned lot). The proposed improvements are more particularly described as follows:

(describe the improvement(s) by size, material, location and intended purpose)

As a condition of the proposed improvements, I also agree to hold harmless the City of North Richland Hills and all of the Utility Companies signed below from any and all damage to said improvements which may occur either directly or indirectly from future maintenance of existing facilities or installation or new facilities as required by the aftersigned entities. I also understand and agree that this form is not now nor shall it ever be, a construction permit. This form is intended only to establish those mutual covenants which are necessary to allow an encroachment into and upon the previously described easement and/or right-of-way.
