VI Homeowner Affidavit

I hereby certify the electrical work described on this permit application shall be installed **by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the Michigan Electrical Code and **shall not be enclosed, covered up, or put into operation** until it has been inspected and approved by the State Electrical Inspector. I will cooperate with the State Electrical Inspector and assume the responsibility to arrange for necessary inspections.

VII Fee Clarification

Item #17, Mobile Home Unit Site:

When installing a site service in a park, the permit application must include the application fee, service, plus the number of park sites.

When setting a HUD mobile home in a park, a permit must include the application fee and a feeder. This shall be done by a licensed electrical contractor.

When setting a HUD mobile home or a pre-manufactured home on private property, a permit must include the application fee, service and feeder.
