PROJECT INFORMATION

Proposed Land-Disturbing Activity: ☐ Clearing ☐ Grading ☐ Building ☐ Utility ☐ Roadway
☐ Other: _____

Anticipated Start Date: _____ Anticipated Completion Date: _____

Receiving Water(s): _____

Is the project within a mapped floodplain? ☐ Yes ☐ No ☐ Unknown	Is the project within an HQW zone? ☐ Yes ☐ No ☐ Unknown
---	---

Will off-site borrow or waste areas be used? ☐ Yes ☐ No
If yes, location: _____

EROSION AND SEDIMENT CONTROL PLAN APPLICATION
CITY OF GOLDSBORO - ENGINEERING DEPARTMENT

MINIMUM REQUIRED DOCUMENTS

- ☐ Completed and signed application.
- ☐ Applicable plan review fee in accordance with the current City of Goldsboro fee schedule.
- ☐ Erosion and Sediment Control Plan showing limits of disturbance, existing and proposed contours, drainage, erosion and sediment control measures, construction sequence, stabilization, and details.
- ☐ Supporting calculations and drainage area information for proposed erosion and sediment control measures, as applicable.
- ☐ Site location / vicinity map and property boundaries.
- ☐ Financial Responsibility / Ownership documentation and deed information, as applicable.
- ☐ Other permits, easements, encroachments, or supporting documents applicable to the project.

APPLICANT ACKNOWLEDGEMENT

By submitting this application, you agree to the following:

I certify that I have read the instructions to this application and that the information provided, including all accompanying plans and documentation, is complete and accurate to the best of my knowledge. I understand that approval of an erosion and sediment control plan does not relieve any responsible party from compliance with applicable federal, state, and local requirements. I agree to install, maintain, inspect, and revise erosion and sediment control measures as necessary and to comply with the approved plan and all applicable permit requirements.

IMPORTANT INFORMATION

- Land-disturbing activity may not begin until all required approvals and permits have been obtained.
- Keep the approved erosion and sediment control plan and applicable permit documents available at the project site.
- Erosion and sediment control measures must be maintained in effective operating condition throughout construction.
- Required self-inspections and records must be completed and maintained in accordance with applicable requirements.
- Changes to the approved plan may require review and approval by the City of Goldsboro.
- Final stabilization and City closeout requirements must be satisfied before the project is considered complete.
