**BUILDING DEPARTMENT
VILLAGE OF WEST HAMPTON DUNES
FOUNDATION APPROVAL**

Address:

SCTM#:

This foundation approval, issued by the Building Department of the Village of West Hampton Dunes, allows for the excavation, placement of piles, and construction of a new foundation as detailed within the filed Building Permit Application for the above-mentioned property. Any construction activities other than the foundation require a permit and must adhere to the Uniform Fire Prevention and Building Code of the State of New York and the Code of the Village of West Hampton Dunes. The issuance of this approval does not constitute approval of the entire project, and any alterations to the approved foundation design may require a permit amendment. The permit holder is fully responsible for ensuring all work complies with applicable regulations and is subject to inspections as per the Uniform Fire Prevention and Building Code of New York State and the Code of the Village of West Hampton Dunes.
