PROJECT NAME: _____ DATE: _____

PROJECT ADDRESS: _____ PERMIT NO. _____

OWNER'S NOTIFICATION OF SPECIAL INSPECTION

To be completed and signed by **Owner** before a building permit is issued.

In accordance with Sections 1704 & 1705 of the International Building Code, which require that certain construction work be placed under the inspection of a registered design professional, I, as owner/legal agent, do hereby certify that I retained _____ to be responsible for the special inspection.

(Registered design professional/Firm) – please print

Owner/Legal Agent Name: _____

Owner/Legal Agent Signature: _____ Date: _____

CERTIFICATE OF RESPONSIBILITY

To be completed and signed by the professional in charge of special inspections before a building permit is issued.

As a registered design professional in charge of special inspections of the above-named project, I certify that I am familiar with the design of the project and hereby assume full responsibility for carrying out the required special inspections in accordance with Sections 1704 & 1705 of the International Building Code.

Seal, Signature & Date

CERTIFICATE OF COMPLIANCE

To be signed by the professional in charge of special inspections before a certificate of occupancy is issued.

I certify that, to the best of my knowledge, the requirements of the International Building Code and the approved plans and specifications have been complied with, insofar as the portion of the work requiring special inspection under Sections 1704 & 1705 is concerned, Except for those deviations previously reported.

A guarantee that the contractor necessarily constructed the building in full accordance with the plans and specifications is neither intended or implied.

Seal, Signature & Date
