Yes/No

☐ ☐ Will there be any nonresident employees, customers, or clients visiting the home occupation residence?

☐ ☐ Will there be any work conducted in the yard or in view of neighbors?

☐ ☐ Will there be heavy equipment, power tools, power sources, noise, vibration, dust, odors, or smoke associated with the home occupation? If yes, please explain:

☐ ☐ Will flammable and hazardous materials not typical to a residence be handled or stored on the property? If yes, please explain.

☐ ☐ Will materials associated with the home occupation be stored outdoors at the residence? If yes, please explain.

☐ ☐ Will there be a sign on the property in association with the home occupation business? If so, please describe the sign and its location:

How many commercial vehicles will be associated with the business? _____

Will any have a gross vehicle weight rating (GVWR) over 10,000lbs? _____

Home occupation proposals unable to meet certain criteria must apply for a conditional use permit ([ECDC 20.20.010.B](#)). The conditional use permit intends to prevent harm to the character of the surrounding neighborhood. If your application requires a conditional use permit, the Planner will contact you to explain.
