132 N. Main Street, City Hall, High Street Entrance

Madison, Ga 30650 706-342-1251 x226 fax 706-342-3454

As of June 1, 2015, Madison will be responsible for all new permits and associated inspections for construction and land disturbance within the city limits. You will likely recognize the permit forms and fees, as we have opted to mirror the prior system for a few months to reduce changeover complications. We appreciate your patience during this transition.
