

PLAN REVIEW COMPLIANCE FORM

(TO BE SUBMITTED BY THIRD-PARTY REVIEWER/INSPECTOR)

Effective September 1, 2025, the City of La Porte Permit Department operates in accordance with the requirements established under S.B. 1202, enacted by the 89th Texas Legislature, Regular Session. This document serves as formal notification to the regulatory authority and must be submitted no later than the 15th day following completion of the review.

This statement must be executed by an independent third-party reviewer who has no affiliation with the permit applicant or the regulatory authority and who possesses the appropriate credentials to perform the review (such as a certified inspector, licensed contractor, or professional engineer in the State of Texas).

A completed plan review compliance form shall be submitted to the Permit Department for evaluation. Utility services will not be authorized until all required documentation has been received and accepted, including applicable building, electrical, and plumbing review or inspection records related to the project.
