

Hometown Hero Banner Project for Middleport, New York

Many towns and villages throughout the state have taken the opportunity to thank the servicemen and servicewomen who served in the US Armed Forces by displaying banners with their photos. These banners were purchased by their families or friends and then were prominently displayed through the summer months on various streets throughout the village.

Banner Information

The banners are 30" by 60", double sided photo, vinyl material and will include the following factual information: Name of the serviceman/woman; branch of service; era of service and any special honors; names of the donors. Banners will be displayed on poles located on Main, State, Vernon, Park, Church and other main routes through the village. They will hang from Memorial Day through Veteran's Day and then stored for the winter, to be hung again the following year. **THE PLACEMENT WILL BE RANDOM AND WE CANNOT HONOR REQUESTS FOR LOCATIONS.** Depending on demand, the number of banners purchased for 2027 will be capped off at 10. At the end of the season, banners will be stored in the Village Hall but families may request the return of their banner after Veteran's Day.

Requirements

All service men and women must meet these requirements:

1. Have resided within the village limits of Middleport, New York presently or at some time in their lifetime
2. Served or are serving our country in Army, Air Force, Coast Guard, National Guard, Marines or Navy
3. Must be presently serving, or be an honorably discharged veteran, or MIA or died in the line of duty.

Banner Pricing

Each banner will cost family/friend a total of \$210, which includes the double sided vinyl banner and hardware for hanging and storage. The banner is the property of the family and can be returned to them if requested at the end of each season. The company suggests a three- year guarantee for the banner. A replacement banner can be purchased for \$135 once the original banner is no longer able to be hung. A small increase has been added for the raise in the rate for postage.

Sponsorship

For individuals or businesses who would like to be a sponsor without purchasing a banner, monetary donations are gratefully accepted and will be used for expenses beyond the cost of the banners and hardware.

Donations have made the printing of the Hometown Heroes booklets possible the past six years.
