Electrical Permit Application

Permit Number: _____
(Office Use)

Pursuant to Public Action 135 of 1989, All Building Department Permit Applicants must fill out:

Tax ID #: _____ Homeowner Exempt: _____ On File: _____

MESC #: _____ Workers Comp. Carrier: _____

Section 23a of the State Construction Act of 1972, Act No. 230 of the Public Acts of 1972, being Section 125.1523a of the Michigan Compiled Laws. Prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on residential building or a residential structure. Violators of Section 23a are subject to civil fines.

Applicant Signature:

Signature of Licensee or Homeowner (Homeowner must also sign affidavit below)

Homeowner Affidavit:

I hereby certify I (myself) shall install the electrical work described on this permit application in my own home in which I am living or about to occupy. All work shall be installed in accordance with the State Electrical Code and or put into operation until it has been inspected and approved by the Stockbridge Village shall not be enclosed, covered up. Electrical Inspector. I will cooperate with the Stockbridge Village Electrical Inspector and assume the responsibility to arrange for necessary inspections.

Signature of homeowner

Fee Clarifications: (Item #2 Mobil Home Unit Site)

- 1) When installing a site service in a park, the permit application must include the application fee, service, plus the number of park sites.
- 2) When setting a mobile home in a park, a permit must include the application fee and a feeder. A licensed contractor shall do all work.
- 3) When setting a mobile home or a modular home on private property, a permit must include the application fee, service and feeder.

Plan Review Requirements:

Plans and specifications for new construction work, alteration, repair, expansion, addition, or modification work shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act No. 299 of the Public Acts of 1980, as amended, and shall bear that architect's or engineer's signature and seal. A Plan Review is required before a permit Can Be Issued.

Exception 1) Alterations and repair work determined by the electrical official to be of a minor nature.

Exception 2) Work completed by a governmental subdivision or state agency costing less than \$15,000.00.

Exception 3) A building of use group R-3 or R-4 containing not more than 3,500 Square feet of building area.

Exception 4) Wiring or alteration to an electrical system that costs less than \$10,000.00, unless requested by administrative authority.

The Stockbridge Village Building Department will not discriminate against any individual or group because of race, age, national origin, color, marital status, handicap or political beliefs
