HOME OCCUPATION PERMIT

Applications for a use permit for a home occupation may be granted by the Planning Director provided the use is in compliance with Yreka Municipal Code Section 16.46.020. The Planning Director may impose conditions so as to assure compliance with the standards set forth in this section. In the event the application is denied by the Planning Director, the applicant may file the application with the Planning Commission and the application shall be heard and determined as provided in Section 16.44.040.

Exceptions may be granted by the Planning Commission if the home occupation consists of an artistic, recreational or hobby activity that is primarily intended for casual or leisure time enjoyment, and which does not contribute significantly to the home owner's income. Such artistic, recreational or hobby activities shall not be permitted if it causes unreasonable vehicular traffic, parking congestion, noise, nuisance, odors, or is a danger to the health, welfare, peace, morals or safety of other residents or residences within the neighborhood. No inventory may be carried nor commodities sold on the premises which is other than incidental to the artistic, recreational or hobby activity. Product created on the premises may be sold off-site.

Application submittal Requirements:

- ☐ Application form along with check payable to the City of Yreka.
- ☐ Letter describing proposed use in detail.
- ☐ Site photographs showing front of property and adjacent property.

Most Home Occupation Permits can be approved administratively. The estimated time for the processing of an Administratively Approved Home Occupation Permit is 2 weeks.

The estimated time for the processing of a Permit requiring Planning Commission approval varies. The Planning Commission meets on the 3rd Wednesday of each month, and in order to be placed on the Agenda, the application must be received as complete by the last working day of the previous month. There is a 10-day appeal period after approval by the Planning Commission; if not appealed, the permit is issued.

Once the permit has been approved, then the next step is to obtain a City Business License. The City Business License Application is available at City Hall 701 Fourth Street, Yreka, and also on the City's website www.ci.yreka.ca.us.
