

CHICKEN PERMIT APPLICATION

Permit Instructions:

- ⊖ All applications must be completed in full along with the owner's signature. Incomplete applications will result in denial or delayed processing. The current permit fee is \$50.00. Payment may be made by cash or check.
- ⊖ All applications must include:
 - a. Site plan indicating all existing buildings, the location (including distances from buildings and setback lines) of any and all proposed coops and chicken runs; and
 - b. A documented Manure management and disposal plan, which shall detail: 1) the size and location of the structure or watertight container in which the Manure will be stored for future use or disposal; and 2) the applicant's plan for storage and disposal of the Manure to ensure all requirements of this Article will be met.

The following requirements shall apply to the keeping of chickens as defined in Ordinance 688:

In order for a permit to be issued or renewed, all of the following requirements must be met:

- a. All requirements of Ordinance 688 shall be met.
- b. The keeping of chickens at the particular property is consistent with the character of the neighborhood and not detrimental to the health, safety, or welfare of the community.
- c. All other requirements of the Code shall be met, including the submission and approval of any and all Zoning Permits or Building Permits, as determined to be necessary by the Codes and Zoning Officer.
- d. Permit is only valid for one (1) year. Applicant must reapply annually.
