The laser engraving technique 'burns' into the face of the brick creating a glass surface that is naturally black and completely permanent. Each 4" x 8" paver can accommodate 3 lines of text with 20 characters per line (including punctuation and spaces). Please check your information carefully as it will be engraved EXACTLY as submitted. No corrections will be made to submissions and there are no refunds for submission errors. Thank you.

Red Oak VETERANS MEMORIAL

at W.B. Ennis Park

The Veterans Memorial at W.B. Ennis Park will be a lasting tribute to all who have served in the United States Armed Forces. The project is a result of the dedication and pride the sitting Mayor and Council has for the town and the residents that have served and defended our country through the years in all branches of service.

The memorial will include a series of five stone columns, commemorating each branch of the armed forces. Each column will display a bronze insignia representative of the military branch it stands for, the columns will be separated by built in benches, flags representing the colors of each military branch will fly proudly, surrounding the flag of the United States of America. Customized lighting and thoughtful landscaping will create a peaceful setting for visitors.

The personalized memorial bricks will be permanently encased within the walkways of the memorial.
