### -Notice of the Use of Social Security Numbers:

Disclosure of your social security number is voluntary. The request of your social security number is authorized by Section 105A-3(c) of the North Carolina General Statutes. Social Security Numbers collected by the town's billing and collections office will be used when collection efforts are undertaken to recover debts that are not paid voluntarily and in a timely manner by a customer. These collection efforts will include set-offs against customers' North Carolina income tax refunds and lottery winnings by means of the states' set-off debt collection program. This program is used by the Town of Mt. Gilead to collect debts that arise in connection with the provision of water and/or sewer service. An existing or potential customer will not be denied utility services because of a refusal to disclose his or her social security number.
