

**Self-Certification of Compliance**

**LIQUOR STORE OFF-PREMISE CONSUMPTION**  
**Abilene Land Development Code Section 2.4.3.3(32), (33)**

**THE STATE OF TEXAS    ⌘**  
**COUNTY OF TAYLOR     ⌘**

Comes Now, \_\_\_\_\_ and certifies that the structure containing the liquor store off-premise consumption at the proposed location of (business name and address) \_\_\_\_\_

\_\_\_\_\_,  
as evidenced by the attached Site Plan, is no closer than three hundred (300) feet to any lot in a CU (College-University) district or any lot or tract primarily used for church, or school; said distance being measured **between the liquor store and** (1) a CU district in a straight line in all directions from the structure housing the liquor store (including overhanging roofs and all other projections) to the nearest point of any lot in a CU district, (2) a church or measured along the property lines of the street fronts and from front door to front door and in direct lines across intersections, and (3) a public or private school measured in a direct line from the property line of the school to the property line of the liquor store and in a direct line across intersections.

I have read and understand all applicable rules and regulations and accept responsibility for compliance with them, notwithstanding any oral representations to the contrary. Furthermore, I understand that the City has no obligation to verify the accuracy of the information certified herein, and that the City's acceptance of this self-certification creates no vested right to conduct a liquor store on-premise consumption at the proposed location should subsequent information reveal that said location is not in compliance with applicable rules and regulations.
