TO ALL DOG OWNERS:

Per New York State Agriculture & Markets, you are required to license your dog in the town in which you reside.

Reminders:

- Spayed or Neutered dog licenses are \$10.00 annually (for new or renewal).
- Licenses for dogs that are not spayed or neutered are \$20.00 annually (for new or renewal).
- Dog license renewal notices are mailed to you from the Town, not from New York State.
- All dogs must have current rabies vaccinations. If are applying for a **new** license, you must provide proof of the rabies vaccination.

You may renew by mail, drop box, or during office hours (Tuesdays 4:00-7:00 p.m.). Please make checks payable to the Town of West Turin. Your renewal license will be mailed to you. If you supply rabies or spay/neuter documents, the documents will also be returned to you.
