PROJECT DESCRIPTION:

I hereby request that construction plans be accepted by the Building Division for construction plan review prior to Planning Division or other agency review or approval. I understand that all plan check review fees will not be refunded if the project is denied by any agency.

I have also been advised that in the event that Planning, Redevelopment and/or Public Works require structural changes, additional delay in time and additional plan check fees may be required.

In consideration for the Building Division's construction plan review acceptance, I agree to indemnify and hold harmless the City of Pico Rivera, its officers and employees from any and all claims, suits and liability in the event the project is denied by the Planning Division or other agencies.
