The applicant certifies that all information on this application is correct and the work will be completed in accordance with the approved construction documents and PA Act 45(Uniform Construction Code) and any additional approved building electrical code requirements adopted by the Borough. The property owner and applicant assumes the responsibility of locating all property lines, setback lines, casements, right-of way, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes or ordinances of the Borough or any other governing body. The applicant certifies he/she understands all the applicable codes, ordinances and regulations.

Application for a permit shall be made by the *owner* or lessee of the building or structure, or *agent* of either, or by the *registered design professional* employed in connection with the proposed work.

Certificate of Occupancy.

§403.46(a) A building, structure or facility may not be used or occupied without a certificate of occupancy issued by a building code official. §403.46(d) A building code official may suspend or revoke a certificate of occupancy when the certificate was issued in error, on the basis of incorrect information supplied by the permit applicant or in violation of the Uniform Construction Code. Before a certificate of occupancy is revoked, a building owner may request a hearing before the board of appeals under § 403.122 (relating to appeals, variances and extensions of time).

I certify that the code administrator or the code administrator's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.
