I have requested a copy of records or a subscription to records or the opportunity to inspect records, pursuant to the Michigan Freedom of Information Act, Public Act 442 of 1976, MCL 15.231, et seq. I understand that the Village must respond to this request within five (5) working business days after receiving it, and that response may include taking a 10-day office business day extension. However, I hereby agree and stipulate to extend the Village's response time for this request until: _____ (month, day, year)

Records Located on Website

If the FOIA coordinator knows or has reason to know that all or a portion of the requested information is available on its website, the Village must notify the requestor in its written response that all or a portion of the requested information is available on its website. The written response, to the degree practicable in the specific instance, must include a specific webpage address where the requested information is available. On the detailed cost itemization form, the Village must separate the requested public records that are available on its website from those that are not available on the website and must inform (if the Village has the technological capability) but may use a fringe benefit multiplier greater than the 50%, not to exceed the actual costs of providing the information in the specified format

Request for Copies/Duplication of Records on Village Website

I hereby stipulate that, even if some or all of the records located on a Village website, I am requesting that the Village make copies of those records on the website and deliver them to me in the format I have requested above. I understand that some FOIA fees may apply.
