--

Description of Filing Requirements

Plans for New Development: A set of plans includes a site plan, floor plan, building elevations, a preliminary landscaping plan, and a preliminary sign program. A reduced-size set should be 11" x 17", and a full-size set should be 24" x 36".

Plans for Existing Buildings: A set of plans for a project involving the use of an existing building must include a site plan, floor plan, and elevations (photographs of the building may be submitted for elevations).

Mailing Radius Map and Owner's Labels:

- 1) An area map showing individual lots and Assessor's Parcel Numbers within a radius of 500-feet from the subject property boundaries clearly drawn.
- 2) An Excel file with Assessor's Parcel Numbers, and mailing address for all **Property Owner's and Occupants** within (or partially within) the 500-foot radius.

OR

Two sets of adhesive labels with the Assessor's Parcel Number, and mailing address for all **Property Owner's and Occupants** within (or partially within) the 500-foot radius. Labels must be typed and provided on 8 ½ "x 11" sheets.

Example of mailing label:

4078-023-907
John Smith
14717 Burin Avenue
Lawndale, CA 90260

Ownership information and maps are available through the Los Angeles County Tax Assessor's Office located at 1401 E. Willow Street, Signal Hill, CA 90755. The Tax Assessor's phone number is (562) 256-1701.

Filing Assistance – These are private firms that will assist in the preparation of mailing information. Please note that the City of Lawndale cannot endorse or recommend these firms.

Materials/Color Samples and Colored Elevations: For projects involving new construction, the applicant must provide a color and materials sample board. Additionally, the applicant must provide 1 full-size and 7 reduced-size color elevations.

Digital Attachments: The applicant must provide a CD or Flash Drive, which includes color elevations and all plans (as required by Planning).

Preliminary Environmental Assessment: Projects that do not qualify for an exemption from the California Environmental Quality Act (CEQA) must include an application (and fee) for a Preliminary Environmental Assessment. Contact the Planning Department for a determination, application forms, and any additional requirements (e.g., traffic impact analysis or noise studies).

Apartment Conversion Requirements: Applications for the conversion of an existing building into condominiums must include copies of notices of tenant notification, building inspection reports, and Covenants, Conditions, and Restrictions (CC&R's). Contact the Planning Department for additional information.

Plan Requirements

Site Plans Must Include:

- All plans be drawn to scale
- Property owner(s) information (name and address)
- Property address
- Lot dimensions and lot area
- Building dimensions and area
- A north arrow
- Names of adjacent streets
- A calculation of the number of parking spaces required and the number provided
- Dimensioned building setbacks, parking space sizes, aisle widths, etc.
- For residential projects: a calculation of common and private open space provided
- Any existing or proposed easements
- Indicate the uses of the adjacent properties and the building locations
- Location of trash area
- Location of utility meters and transformers
- ***CD of Flash Drive with attachments*** of color renderings and all plans required by Planning.

Floors Plans Must Include:

- A description of the various uses within the building with rooms/area labels
- Window and exterior door locations
- Dimensions of proposed and existing structures

Elevations Must Include:

- All building elevations must be drawn to an architectural scale no smaller than 1/8" = 1'10"
- Finished grade, building height, and all special architectural features
- Proposed building materials and colors labeled

Preliminary Landscaping Plan Must Include:

- A calculation of the percentage of the site area covered by landscaping
- A planting plan showing the location of all shrubs, trees and ground cover
- A plant materials list including size, number of species of plants and trees

Preliminary Sign Plan Must Include:

- Location, size, color, and materials of all signs shown on a site plan and building elevations.
