DOG LICENSE APPLICATION

Under the City's Animal Control Ordinance 05-06, your dog must be licensed for identification purposes. We require a copy of your current rabies certificate in order to issue your dog's license. If mailed, please be sure to include the fee and a copy of the current rabies certificate. The metal license must be affixed to a permanent collar and worn by your dog at all times when off your premises. We will notify you when your dog's license is about to expire.

Please check the most recent Fees and Fines Resolution for the yearly License fee for a non-sterilized or sterilized dog. For your convenience, one, two, or three-year licenses are available to match the date your dog's rabies certificate must be renewed.
